## Elevation Screws Custom Wall Art

All our wall arts includes elevation screws which lifts it 1.5cm / 0.6"inch away from the wall to get that 3D feeling and hanging attachment on the back for easy mounting.

## How this Custom Metal Art Made

HH-Metal wall-art gives a unique touch to every enthusiast's space, whether it's one's garage or bedroom. Our art pieces are laser cut from 2mm thick steel, thus guaranteeing high quality. Furthermore, they are hand polished and powder coated with a matte black finish which leads to the extraordinary final look and everlasting quality. All of our art pieces include elevation screws which lifts them 1.5cm / 0.6 inches away from the wall to give a 3D look. We also include a centered hanging attachment on the back of the product for easy mounting. Each product is safely packed and shipped to you with express delivery.
